

PUBLICATION CHARGE CERTIFICATION

JLA

Payment of publication charges is a contribution from authors' institutions towards the cost of disseminating research results and should be regarded as an essential part of their research budgets. These payments meet part of the editorial, composition, printing, and distribution costs. A large majority of authors' institutions accept this obligation in full as expected and, as a result, receive 25 free reprints.

Receipt of this form, signed by an authorized agent of the authors' institution, is essential to the further processing of the manuscript for publication. Please return it promptly to:

ACCEPTANCE

We accept the obligation to pay \$55.00 per page and \$20.00 per article in partial support of the publication of this article and the production of a database. Purchase Order Number (P.O.#) provided or I personally accept responsibility for payment.

In an effort to contain the number of pages published and avoid large increases in subscription costs, the Laser Institute of America has instituted a mandatory excess page fee of \$150 per page for each page beyond 10 pages. Contact the Journal Editorial Office for more information about this mandatory fee.
